Bamboo Collection

Fabric + Features

Bamboo rayon has a luxurious softness, smooth hand, flowing and gentle drape, eco friendly cachet.

The fabric has a natural sheen and softness that feels and drapes like silk but is more durable.

Easy to launder in a clothes washer and dryer.

Smooth, soft and non-irritating, even to sensitive skin.

Highly absorbent and wicks water away from the body 3 to 4 times faster than cotton. In warm, humid and sweaty weather, bamboo clothing helps keep the dancer drier, cooler and more comfortable and doesn't stick to the skin.

More breathable and thermal regulating than cotton, hemp, wool or synthetic fabrics.

Naturally more wrinkle-resistant than cotton. Shrinkage during washing and drying is minimal at warm temperatures.
