First

The Joffrey Ballet has been hailed as "America's Company of Firsts." The Joffrey Ballet's long list of "firsts" includes being the first dance company to perform at the White House, the first to appear on television, the first and only dance company to appear on the cover of Time magazine, and the first company to have had a major motion picture based on it, amongst many other "firsts".

Ballet Rosa shares the same commitment, passion, and mission as The Joffrey. Our drive is to be one of the best dancewear brands in the world, to provide high performance, functional dancewear with good taste and intricate design. Like The Joffrey, we also are a company of "firsts". Ballet Rosa has been the first professional Portuguese dancewear brand, the first to have a collection designed, worn, and advertised by an Étoile of the Paris Opera Ballet, and the first national brand to ever sell its products across 42 countries.

For Ballet Rosa, above all, our customers and dancers come FIRST. We hope you enjoy our work and dedication, a part of which is contained in this catalog.

CRÉATEUR
2018

Our motto "Own the City" is a celebration of the talent and determination of dancers in every city. This year we travelled to Chicago to capture the passion and artistry of the dancers from the Joffrey Ballet and students from The Joffrey Academy. After our time at the Joffrey Tower, we crossed the street for the Chicago Design Museum, another environment rich with artistry, where our photos were completed. We had a great time and are excited to share our achievements with all of our trusted partners and dancers.

The new 2018 Spring Edition Créateur Catalog is a supplement to our existing Créateur Catalog, where you can find the bulk of our designs and our work. Throughout 2018 the two Catalogs are meant to be complementary and to give you a better expression of our creativity and emotion.

Enjoy,
