

Ballet Rosa

CRÉATEUR

DE

Welcome to a New Chapter of Creation

With immense pride and excitement, we introduce the new Créateur Catalog, a reflection of everything that drives Ballet Rosa forward—innovation, artistry, and unwavering dedication to the dancers who inspire us every day.

This season marks one of our most ambitious evolutions yet. You will discover new materials engineered for performance, new lace developed exclusively for our collections, new colors that capture movement and emotion, and new structures designed to sculpt, support, and elevate the dancer's line. Every detail has been thoughtfully reimaged to meet the demands of today's artists while anticipating those of tomorrow.

Yet, at the heart of this transformation, our essence remains unchanged. The iconic silhouettes you return to season after season—the styles that accompany you from studio to stage—remain a cornerstone of this collection. They continue to embody the precision, elegance, and strength that define our brand and empower dancers across the world.

This new Créateur line is more than a collection. It is a dialogue between tradition and innovation, between craftsmanship and performance, between who we have always been and who we are becoming.

We invite you to explore, to feel, and to move forward with us.

TUTULEE

A ballerina in a vibrant red tutu is captured in a dynamic dance pose, performing a fouetté. She is the central focus, with her arms raised and one leg extended. The background features two semi-transparent, ghostly images of the same ballerina in similar poses, creating a sense of movement and depth. The entire scene is set against a dark, gradient background that transitions from deep red at the top to a lighter, hazy pink at the bottom. Overlaid on the image is the word 'TUTULEE' in a large, bold, black, sans-serif font. The letters are positioned horizontally across the middle of the frame, with the ballerina's body and limbs partially obscured by the text.

As we close this season of creation, we are filled with gratitude for every hand, heart, and soul that makes this journey possible—from our dedicated team and inspiring dancers, to you, our cherished community. This year brought new ideas, new textures, new colors, and new movement. Yet at its core, the spirit of Ballet Rosa remains unchanged: a love for dance, for craftsmanship, and for those who live their lives in motion. Thank you for continuing to dance with us, season after season. We are honored to be part of your story.

Thank you!
