So Danca
Europe

A catalog has initially the purpose to introduce products instead of to tell their history, but if you privilege us by reading this text, we would like to present something about Só Dança shoes.

To make shoes is an exact science, but it is a real art to develop shoes respecting the feet anatomy and providing to them the ability to perform all kind of dance movements. This is the reason Só Dança researches all materials possible to create shoes that suit the physical forms, free transpiration, heat transference, comfort, freedom and the most important: the emphasis to the movements. Thus, our product becomes almost a second skin, a body extension.

What about the dance aesthetics? With the aim to respect the traditional dance aesthetic into classroom and on stage, our products undergo critical evaluation of great dance artists and professionals who are well-known in Brazil and abroad, such as Chris Matallo - our consultant for Tap Shoes, Claudia Zaccari - ex-Principal Dancer of Teatro Dell'Opera Di Roma, Federico Bosch - ex-dancer and Só Dança Representative for Spain and France, as well as many others. Thereby, our consultant artists and our Technical Directors work together to ensure each product is in accordance with our Só Dança Fit and Care Concept.

Nowadays much is said about health and health in dance, then shoes which are associated with feet bone deformities, such as bunions, claw toes, etc., are simply unacceptable. That is why Só Dança counts on the experience of our consultant and expert on that subject, Mr. José Luiz Bastos Melo, an ex-dancer, Physiotherapist specialized in dance as well as in treatment and training for dancers, and who is also a designer of shoes and health concepts, to help us developing a kind of shoe for each type of foot. We want you do the best choice you can, it means, we worry your feet enjoy the benefits of the Só Dança Fit and Care Concept.

In this catalog we present some products as well as their differentials developed by Só Dança to suit each style of dance.

We would like you know our passion and dedication is the dance and we are very happy that you have chosen Só Dança.

Só Dança[™]

The Só Dança Pointe Shoe

All Só Dança Pointe Shoes come with a set of accessories containing 2,5m (8 1/4') of satin ribbon, 30cm (1') of elastic and 2 optional leather platform protectors (should be glued on by the costumer).

Our mission, as a manufacturer of Pointe shoes, is to provide a wide variety of shapes and sizes to all dancers so they may enjoy a correct and comfortable fit.

We understand the challenges presented by keeping all widths and sizes in stock. Therefore, retailers should consult their Classic Price List for detailed information on In Stock and Special Order shoes.
