MADE FOR YOU

Social media has changed the game. We love how we can now see how our stuff affects people directly. Dancers share their personal lives while wearing Só Dança. And that makes us feel, well, very warm in the heart 😊. The community that has formed around the brand is very special, and we have you to thank for that. Your role is very important to us. We would not be where we are without you.

P-328

After 200 years of tradition. Só Dança marries aesthetics of the past with engineering of the future. Through customization, dancers will be able to achieve the PURE FIT they have been looking for creating the most comfortable experience ever felt in pointe work.

Interchangeable shanks make it possible to use the same pair of shoes for everything from barre to center and Giselle to Paquita. As demi-pointe is possible from the very first time the Elektra is put on the foot, dancers will no longer have to break-in their shoes and put added stress on the body.
