

Hola, soy Alejandra López, creadora y diseñadora de la marca **El Petit Ballet**

Mi pasión por la danza me acompaña desde la infancia, así como la imagen de mi abuela y sus puntadas amorosas mientras cosía los tutús que luciría en los festivales. Ese amor al arte me llevó a dedicarme profesionalmente al vestuario escénico, con el tiempo la llegada de mi preciosa hija me inspiró a crear **La Petite Ballarina**. Dibujos de los ballets más célebres, el lago de los cisnes, la bayadera, el cascanueces, Esmeralda, El Quijote, Coppélia etc.. donde La Petite Ballarina es la protagonista. Nuestros diseños ya recorren el mundo en colecciones originales, alegres y coloridas, como las bolsas, camisetas, libretas y otros artículos, elaborados de inicio a fin en nuestro taller de Barcelona (España). Con los años hemos sumado colecciones, como **La Pointe**, **Les Nines y Versailles**, y este año las de **La Bella Ballarina** una colección dulce con mensajes que llegan al corazón y la colección **Ballet de Lux** elegante y práctica, con materiales exquisitos. También incluimos nuevos diseños para **La Pointe**, **La Petite Ballarina y Les Nines**, Esperamos que disfrutéis mucho de estas colecciones.

Han sido creadas desde el:

My name is Alejandra López, founder and designer of the **El Petit Ballet** brand. My passion for dancing has been with me since my childhood.

I treasure the vivid memories of my grandmother and her loving stitches while she sewed the tutus I would wear at festivals.

My love for the art of ballet led me to dedicate myself professionally to stage costumes. Eventually, the arrival of my beautiful daughter inspired me to create **La Petite Ballarina**. A collection with drawings of the most famous ballets: Swan Lake, La Bayadère, The Nutcracker, Esmeralda, Don Quixote, Coppélia, etc. where La Petite Ballarina is the protagonist. Our designs have already traveled the world, in our original, cheerful, and colorful collections: bags, t-shirts, notebooks, and much more items, made from scratch in our workshop in Barcelona (Spain).

During the years we have been adding new collections such as **La Pointe**, **Les Nines**, **Versailles**, **La Bella Ballarina** and **Ballet de Lux**.

We hope you enjoy these collections a lot.

Each and every design has been created from the:
